• About Library :

The college library was setup in June 1984 with 312 books. Today it has grown to over 47,000 books with addition of 113 journals/periodicals and e-resources as well. Growth of the library collections has been in tune with the growing needs of Institution. The library has been playing a very significant role in the educational process and it is the heart of the Institution. Library provides knowledge resources to achieve objectives of the Institution and helps in conservation as well as dissemination of knowledge. The library performs a variety of functions by way of collecting information, processing and retrieving the relevant information, helping students and faculty with text books, reference books and journals, as well as by maintaining an efficient reference and information service, providing internet facility and multimedia facility. The library has 5,680 sq. ft. of built up area and is spread over on three floors. The library has network of one server and 9 nodes. The computerization of the library has been done using LIB-MAN software developed by Master Software, Nagpur. Online Public Access Catalogue (OPAC) provides access to the bibliographic database. This facility is also available on android mobile phone on M-OPAC app.

There is open access system for the teachers, under graduate and post graduate students. The central library remains open from 7.30 am to 5.30 pm on all working days including vacations. The Reading Room of the library also remains open from 7.30 am to 11.00 pm.

• Library Services

1. Broadband internet connection & INFLIBNET facility for students. The facility is available in the UGC Network Centre, adjacent to the Reading Room.
2. Digital Learning Resource Access Centre (DLRAC) - It is a digital reading room facility of the college where instead of relying only on the conventional information sources, digitized versions of library resources can be accessed.
3. Photocopy facility.
4. Display of New arrivals in showcase.
5. Online Public Access Catalogue (OPAC and M-OPAC)
6. Know your Library Programme.
