Subject: Request for Industrial Visit.

Respected Sir,

Industrial visits are a mandatory requirement for our students. It provides them with an opportunity to gain a real-world understanding of the working procedures and processes of leading organizations such as yours. It would be a great learning experience for them to witness devices/products being manufactured at your facility.

We are confident that Soyo Systems, Jalgaon is an ideal place for our B.Sc. Electronics students to gain practical knowledge and develop an understanding of the latest technologies and innovations. We are hoping to arrange a visit for our students, and we would appreciate your support in facilitating the visit.

We would be grateful if you could kindly grant us permission to visit your industry and provide us with the necessary details about the visit, such as date, time, and any other requirements that need to be fulfilled.

We look forward to hearing from you soon.

Thanking you,

**Name of the Industry Visited** : S. Heatwell, Jalgaon  
**Date of Visit** : 16<sup>th</sup> February, 2024  
**Number of Beneficiaries** : 15 Students

Department of Physics has organized an Industrial Visit at S. Heatwell, MIDC, Jalgaon on 3<sup>rd</sup> March, 2023. This visit is conducted under the MoU with S. Heatwell, Jalgaon. This industry is engaged in design, engineering, manufacturing and supply of various types of industrial thermocouples and heaters.

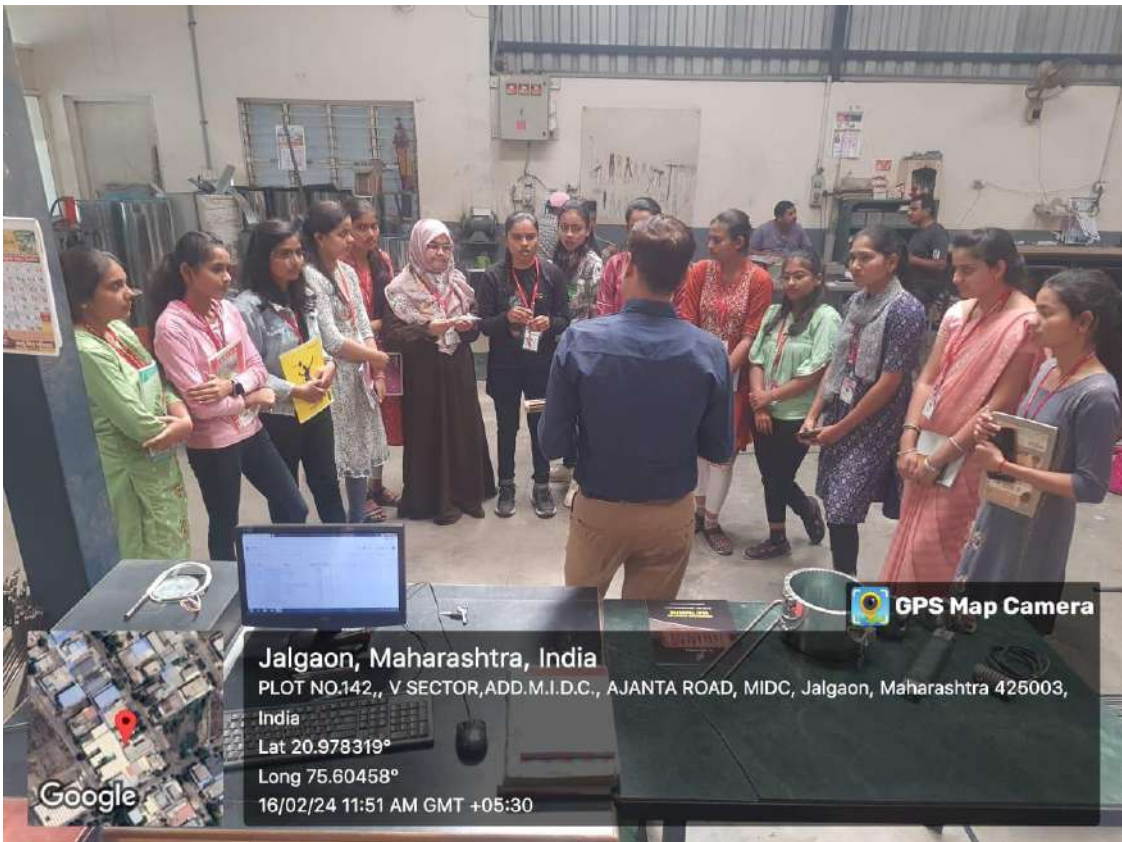

Students were given information about their different combinations of metals, usually referred to by a letter, e.g. J, K etc giving rise to the terms type J thermocouple, type K thermocouple etc. Each combination has a different temperature range and is therefore more suited to certain applications than others.

Total 15 Students of S. Y. B.Sc. and T. Y. B.Sc. Physics have taken active participation in this visit along with teachers. Shri. Shekhar kinhalkar, Manager of the industry gave the detailed information of the manufacturing units of various products and has answered the doubts and queries of students.

**Date of the Programme:** 18/03/2024

**Venue of the Programme:** Sahakar Maharshi Shankarao Kolhe Sakar Karkhana,  
Kopargaon

**Number of Participants:** 09

**Brief Summary of Programme:**

As an integral component of the academic curriculum, the Department of Bachelor of Science (T.Y. B.Sc.) organized a significant industrial visit for third-year students to Sahakar Maharshi Shankarao Kolhe Sakar Karkhana, located in Kopargaon. The purpose of this visit was to provide students with practical exposure to the processes involved in sugar manufacturing, thereby enhancing their understanding of theoretical concepts learned in the classroom.

The industrial visit to Sahakar Maharshi Shankarao Kolhe Sakar Karkhana proved to be an enriching and enlightening experience for the third-year Bachelor of Science students. It not only enhanced their understanding of sugar manufacturing processes but also fostered a deeper appreciation for the practical applications of scientific principles in the industrial context. As an essential component of their academic journey, such experiential learning opportunities play a pivotal role in preparing students for future careers in science and industry. As part of the curriculum, it's important for the third-year Bachelor of Science (T. Y. B.Sc.) students to go on an industrial visit. So, our department organized a special trip for these students. During the trip, students got to learn about how sugar is made. It helps students understand things better by seeing them in real life. This trip was a part of their learning experience outside of regular classes.

Through immersive engagement with industry professionals, they gained firsthand insights into the methodologies, techniques, and scientific principles underpinning this vital aspect of sugar manufacturing.

## **Department of Economics**

**Name of Programme - Agricultural Visit**

**Venue of Programme – Dr. A. G. D. B. M. M. Jalgaon.**

**Number of participants – 22**

**Brief summary of Programme –**

“Agricultural Visit” was organized by our Department of Economics. Undoubtedly, Agriculture sector is exceptionally important for Indian economy. Our department's agricultural trip was taken to the village named Ridhur. Talking about the village “Ridhur”, it is a small village located on the bank of Tapi River at a distance of about 20 to 21 km from Jalgaon. We chose Ridhur for the trip because it is surrounded with forest which has the natural beauty with small vines of different plants, breeze that feels even in summer because of the trees and plants and air. There is a clean environment and amazing natural beauty we experienced in the visit.

Mangesh Kinge, a faculty member in Department of Economics gave information to the students about agriculture sector and introduced various crops, and also guided about modern techniques used for, taking crops, agricultural cultivation, irrigation methods, and production and so on.

Dr. Vinod Nannavare head of the Department, and faculty members Dr. Sachin Kumbhar, Prof. Savita Patil have accompanied the trip.
