Students Seminar Report

Name of the Activity : Students Seminar

Period of Seminar : 3 rd February 2024

Number of Beneficiaries : 03 Students

Department of Physics has organized Student Seminar in the month of 3 rd **February 2024**. The students from T.Y.B.Sc. Physics class delivered the seminar on different topics related to their curriculum. It was observed that confidence level among the students is enhanced thereby delivering these seminars .During these seminars question-answer session was also conducted. Total 03 Students of this class have taken active participation in this activity.

Name of the Programme: Students Participation in Conference/ Avishkar

Venue of the Programme: Dr. Annasaheb G. D. Bendale Mahila Mahavidyalaya
Jalgaon

Number of beneficiaries/Participants: 07

Brief Summary of Programme:

Our students showcased their enthusiasm and dedication by actively participating in both a National Conference and a District/University-level Avishkar (science exhibition). During these events, they had the opportunity to present informative and visually engaging posters that highlighted their research findings.

At the National Conference “Changing Paradigm in Chemical Sciences”, our students **Miss. Monika Bharambe, Sparshika Patil and Priyanka Temkar** (T. Y. B. Sc.), **Miss Sanjana Chaudhary, Shivlesha S. Patil, Namrata Sonar, Kanchan Lahase** (M. Sc.) demonstrated their commitment to academic excellence by sharing their research with a broader audience, engaging in discussions, and gaining exposure to diverse perspectives within their fields of interest. This experience not only contributed to their personal growth but also enriched the academic discourse of the conference.

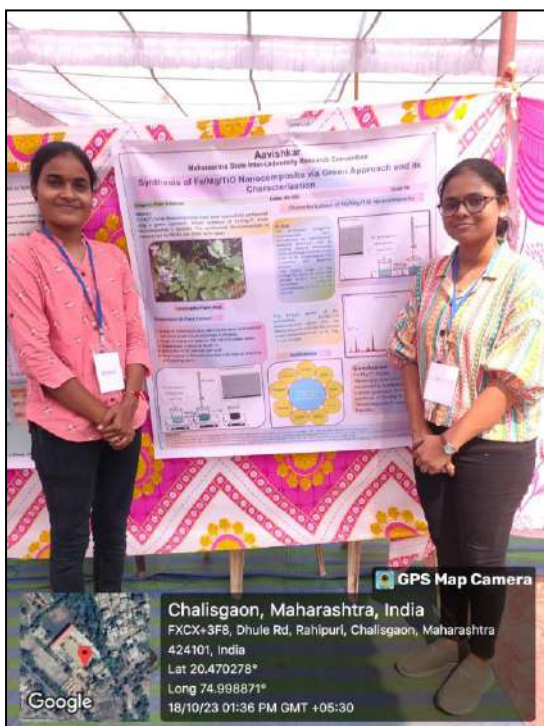

Simultaneously, the participation of our students **Miss Namrata Sonar and Sanjana Chaudhary** (M.Sc.) and **Miss. Monika Bharambe and Miss. Sparshika Patil** (T. Y. B. Sc.) in the District-level Avishkar organized by KBC North Maharashtra University, Jalgaon, at B. P. Arts, S.M.A. Science and KKC Commerce College, Chalisgaon brought their research to a local platform, providing them with the opportunity to interact with peers from within the university community. Presenting their research posters allowed them to effectively communicate complex concepts and findings to a wider audience, fostering their skills in scientific communication.

The students' participation in these prestigious events underlines their dedication to advancing scientific knowledge and their commitment to sharing their findings with a broader audience. These experiences not only contributed to their academic growth but also enhanced their ability to contribute effectively to the scientific community.

Brief Summary of Programme:

Our department conducted student's seminar for engaging the students. Specifically, students from Master's Level (M. Sc. II) actively participated in delivering lectures on diverse topics within the realm of chemistry. The participating students took turns to present on various chemistry curriculum related topic, contributing to a vibrant atmosphere of knowledge sharing. For the students involved, this event yielded several gains such as public speaking skills, subject mastery, teaching experience, collaboration, empowerment, knowledge exchange, learning through teaching, communication skills, confidence building etc.

Name of Programme: 'Astronomical Poster Exhibition'

Name of Resource Person:: Prof. D. S. Bharambe (M. J. College, Jalgaon)

Date of Programme: 19/01/2024

Time: 10.30 am to 4.00 pm

Venue of Programme: Department of Geography, Dr. Annasaheb G. D. Bendale
Mahila Mahavidyalaya, Jalgaon.

Number of Participant: 96

Brief Report of Programme:

The event started with inauguration by the Principal Dr. Gauri Rane at 10.30 am on 19/01/2024. Our basic aim of this astronomical exhibition is to develop scientific temperament among students and to spread knowledge about astronomy among them in a simple yet interactive way such that students can understand the basic concepts of astronomy and motivate them towards Astronomy. Through this exhibition students know about Stars. Then Prof. D. S. Bharambe (M. J. College, Jalgaon) explained some of the features of the sun i.e. Sunspots and Solar corona etc. through astronomical posters. He explained how big sunspots are and how these sunspots get formed. He interacted with students and he answered the questions of students in a very easy and comprehensive manner. He explained types of planets and the beautiful night sky with stars, planets, and other celestial objects.

Lastly at the end of exhibition at 4 pm, the vote of thanks was proposed by Mr. H. R. Jadhav, coordinator of Geography Association.
