Report : Comprehension Skills (Slow and advanced learners)
Name of the Programme : Comprehension Skills
Date of the Visit : 22-03-2024
Venue of the Programme : Department of Psychology
Time : 10.00 AM
Number of beneficiaries/Participants: 34

Department of Psychology and IQAC jointly organized a lecture on Comprehension Skills as an activity for slow as well as advanced learners. Prof. Sunil Ahire Sir was the resource person for the programme. With his extensive experience and expertise in the field, Professor Ahire provided valuable insights and practical strategies to address the diverse learning needs of the audience.

The session began with an overview of comprehension, highlighting its importance in academic success and everyday life. Practical techniques and exercises were introduced to help slow learners to improve their comprehension skills, including breaking down information into smaller chunks, using visual aids, and repetition. Advanced learners were presented with more complex comprehension exercises and tasks to enhance their critical thinking and analytical skills. These exercises aimed to stretch their cognitive abilities and encourage deeper engagement with the material.

The session included interactive discussions and activities to encourage active participation from all attendees. Students had the opportunity to share their experiences and insights, fostering a collaborative learning environment. Dr. A. B. Patil, Head, Department of

psychology has given the preface to the programme and Dr. Rani Tripathi has taken the efforts for the success of the programme and student Ms Lina Dusane Compared where as Ms Vijaya Patil proposed the vote of thanks.
