Cell Against Ragging Mechanism

Ragging is strictly prohibited in the college campus. It is a punishable offence according to UGC regulations 2009. In order to prevent ragging on the campus, Cell Against Ragging is developed by the college authorities which is actively functional throughout the academic session. If any such incident happens in the college campus and there is any complaint filed by any student, the Secretary of the Cell Against Ragging of the college shall promptly conduct a preliminary on the spot inquiry and collect details of the incident. The preliminary investigation of the incident shall be immediately brought to the notice of the Principal of the College. The activity shall be completed, at the most, within twenty four hours of receipt of information. The Cell Against Ragging of the college shall complete the inquiry and submit its report along with recommendations to the Principal of the College within fifteen days of the incident for the further necessary action.

Dr. Rupali Chaudhari

(Chairman)
Cell Against Ragging.
