Summary:

Every year, our institution collect tons of data about our students, alumni, teachers, staff, courses, fees, assets, lesson plans, and so on. Hence, ERP is most essential for work together seamlessly to connect departments and bring the data from those various departments together into one database.

Mr. Dhanpal Waghulde and Mr. Rohit Patil (ERP Coordinator) was conducted the session regarding the ERP and its various tabs such as Administration, Admission, etc. and also, focuses on various reports. In this lecture speaker focuses on importance and vital role of ERP of the college and teaches about the all functions and reports of the college ERP.
