Name of the Programme: Industrial Visit under MoU Activity

Date of the Programme Visit: 09/11/2023

Venue of the Programme: Ganga Inks, Jalgaon MIDC, Jalgaon

Number of beneficiaries/Participants: 12

Brief Summary of Programme:

On November 11, 2023 the Chemistry UG and PG students of our College visited Ganga Inks, a leading water-based dye and pigment production company located in Jalgaon. The objective of this visit was to provide students with firsthand experience of industrial practices related to the production of dyes and pigments, particularly in a water-based system. Ganga Inks specializes in eco-friendly pigments, which are widely used in textile printing, paints, coatings, and other applications.

The visit to Ganga Inks was a valuable educational experience for the students, offering them a deeper understanding of the industrial production of water-based dyes and pigments. It not only enhanced their knowledge of chemical processes and quality control measures but also raised their awareness about sustainable manufacturing practices. The students left with a better appreciation of how chemistry is applied in real-world industries to create products that are both effective and environmentally friendly.

List of the Students

For Industrial Tour arranged on Thursday, November 09, 2023

Place: Ganga Inks Pvt. Ltd. Jalgaon

M. I. D. C. Jalgaon, Maharashtra.

Sr. No.	Name of the Students	Class	Age
1	Hinge Vaishnavi Bhaskar	M.Sc. I	21
2	Pachpande Madhuri Eknath	M.Sc. I	21
3	Sapkale Pratiksha Bhagirath	M.Sc. I	21
4	Patil Kirti Jijabrao	M.Sc. I	21
5	Patil Ankita Dhondu	M.Sc. I	21
6	Patil Sunita Bhavsing	M.Sc. I	21
7	Bharambe Monika Sharad	T.Y.B.Sc.	19
8	Temkar Priyanka Sopan	T.Y.B.Sc.	19
9	Chaudhari Gayatri Ashok	T.Y.B.Sc.	19
10	Patil Dipali Dilip	T.Y.B.Sc.	19
11	Patil Madhuri Prabhakar	T.Y.B.Sc.	19
12	Patil Komal Rajendra	T.Y.B.Sc.	19
