Staff Academy of Dr. Annasaheb G. D. Bendale Mahila Mahavidyalaya organised a workshop on 'Curriculum Development' by Dr. Dr. S. T. Bhukan, Dean, Faculty of Interdisciplinary Studies, Jalgaon on 19th July, 2023 at 11.00 a.m. in Dhande hall of the college. He told that the quality of the syllabus is a fairly reliable indicator of the quality of teaching and learning that will take place in a course. Therefore, it suggests instructors to make the effort to construct a high-quality syllabus. The results of that effort can benefit teachers as well as his or her students.

He also explained that a syllabus should serve accountability and documentation functions. It should document what was covered in a course, at what level, and for what kind of credit. Such a syllabus contains information useful for evaluation of instructors, courses, and programs, and can thus be useful in course equivalency transfer situations, accreditation procedures, and articulation.

Principal Dr. Gauri Rane was president of the function. She explained the need of curriculum framing in autonomy. Dr. S. B. Salwe anchored the program. Yogesh Khairnar presented words of thanks. 21 staff members were present in the function.
