Venue: Dhande Conference Hall

No. of Participants: 28

Brief Summary of Programme:

Department of Commerce and Department of Economics jointly organized a Guest Lecture on Women's Empowerment Program on Financial Awareness.

Mr. Deepak Kasar said that, being financially literate empowers women to compound their money. With seeing today's fast paced world, mutual fund knowledge covers a significant amount of financial knowledge. Women need to know what is a good place to invest

their money instead of keeping it in a bank account or locker. Financial literacy empowers women to make independent decisions. During emergencies or unforeseen circumstances, women can take correct steps if she is financially literate.

He also suggested financial planning tips as follows:

1. Define your financial goals.
2. Start investing.
3. Limit your borrowings.
4. Prepare a budget and stick to it.
