Report Department of Chemistry

Name of the Programme: National Science Day Celebration

Date of the Programme: 28/02/2024

Venue of the Programme: Class Room No. 44, Dr. Annasaheb G. D. Bendale Mahila Mahavidyalaya Jalgaon

Brief Summary of Programme:

On the commemoration of National Science Day, our Chemistry department organized an enlightening event to celebrate the wonders of science. The highlight of the event was a captivating lecture delivered by Vice Principal Dr. P. N. Tayade, who shed light on the paramount importance of science in our lives.

Professor Tayade's lecture was both informative and engaging, emphasizing the pivotal role of science in shaping our world. He eloquently discussed various facets of scientific advancements and their profound impact on society. The audience, comprising students and faculty members, benefited immensely from his insightful discourse.

One of the most enriching aspects of the event was the active participation of students. Students from both B.Sc. and M.Sc. programs enthusiastically contributed to the knowledge-sharing initiative by sharing their views on a myriad of science-related topics. The participating students demonstrated commendable confidence and expertise as they took turns to elucidate various scientific concepts.
