no.suggst

Internship should be provided to the Arts Faculty.

The internship should be provided for the Arts faculty.

Internship program should arrange for the arts faculty as well

V.good

U can improve ur syllabus level
provide campus through job for top 5 students

Nahi

All Good

All good

Very good

Very good teacher

All Good

So nice gye nice to work together

Give more practical knowledge and live project training

Non

Encourage more students to do practical training with Chartered Accountants. This will definitely help them hone their skills and practical knowledge.

None
